

Making Something is One Way to Say I Love You

From Daniel Tiger's Neighborhood

G C
I could make up a song to say

E
I love you,

D
I care.

G C
And I would sing right along,

E
'Cause I love you,

D
I care.

G C E D G
'Cause making something is one way to say, "I love you."

G C
I could even bake a special cake,

E
'Cause I love you,

D
I really love you.

G C
And even if it got smushed,

D C
I'd still love it 'cause it was from youuuuuuuuu.

G C E D G
'Cause making something is one way to say, "oh, I love you."
